30 Day turn after sample approval

The process is simple and easy.

1. Submit your PO and artwork.
2. Our factory creates a digital layout for your approval.
3. Once approved, we'll send an image of a printed pre-production sample within approx. 5-7 days.
4. Your order will ship within 30 days via air to one location in the USA, after sample approval.

Low Minimums

Break away from the traditional MOQ requirements that come with ordering items overseas. With minimums as low as 250pcs there's more opportunity to go custom overseas!

Expanded branding options

Almost all items in this collection offer 4CP printing or alternative decoration options that don't change your order timeline!
